

## Field Trips

**Please read carefully.** Trips will operate rain or shine. Remember to bring lunch, drinks, proper clothing, footwear, sunscreen & insect repellent. For all trips, if you have questions, contact Dave Milsom at [milsomdave@hotmail.com](mailto:milsomdave@hotmail.com) or 705-874-8531. OFO encourages car pooling on all field trips. Participants are reminded that it is the responsibility of every participant on an OFO field trip to comply with the OFO Birding Code of Ethics, and to minimize the risk of injury and/or damages that may result from unsafe or inappropriate behaviour (especially driving, or roadside birding where passing traffic presents a hazard).

### Young Birders

OFO Young Birders field trips and workshops are for birders age 9 -19. The only prerequisites are enthusiasm and curiosity about birds. Parents or guardians are encouraged to attend except where otherwise indicated.

Trips will operate rain or shine. Remember to bring lunch, drinks, proper clothing, footwear, sunscreen & insect repellent as appropriate. Carpooling is encouraged for driving trips.

If you have questions, contact Lynne Freeman at [lynnef.to@gmail.com](mailto:lynnef.to@gmail.com) or 416-671-0325 (email is better).

**Trips may be added or changed so please check the field trips on the OFO web site prior to the trip.**

### **2017-08-06 Durham Region and Lake Ontario Marshes**

#### **Rayfield Pye, John Stirrat**

Meet 7:30 a.m. at Lynde Shores Conservation Area parking lot on Victoria Street in Whitby. Exit Hwy. 401 at Brock Street (Exit 410). Turn left (south) onto Brock Street. Turn right (west) onto Victoria. Go 2.5 km to Lynde Shores on the south side. Visits to Cranberry Marsh, Oshawa Second Marsh, Corner Marsh & Frenchman's Bay. Early Fall migrant warblers, vireos, flycatchers, shorebirds, butterflies.

### **2017-08-26 Palgrave, Tottenham Sod Farms, Schomberg Lagoons**

#### **John Schmelefske**

### **2017-08-27 Rock Point Provincial Park and Eastern Lake Erie Shore**

#### **Marcie Jacklin**

Meet 8:00 a.m. at entrance to Rock Point Provincial Park, near entry kiosk. Park entrance fee. Directions: From the west on Hwy. 3, go into Dunnville. Where Hwy. 3 curves left, continue straight on Main Street, staying along the river. On reaching the bridge that crosses the river, do not cross the bridge but continue straight onto County Road 3 eastbound. Go via Stromness, turning right onto Rymer Road., about 8 km from the bridge in Dunnville. Take first left onto Downy Road. At next intersection, go right. Park entrance is on your left. From the east on Hwy. 3, drive into Dunnville, turn left onto Inman Road. Go right onto Mumby Road. Follow this to County Road 3, then turn left. Follow directions from bridge in Dunnville above. Shorebirds, waterbirds, early fall migrants.

### **2017-09-02 Toronto Islands**

#### **Gavin Platt**

From Harbourfront in Toronto, catch 7:15 a.m. Ferry to Ward's Island. You will need \$7.50 in coins (\$5.00 seniors and students). Early Fall migrants. The trip involves a lot of walking all day long. Please bring a lunch if you plan to stay all day (some food is also available to purchase on the island).

### **2017-09-07 Moosonee (5-day trip)**

#### **Martin Parker, Kathy Parker**

Sorry, trip full. May be offered again in 2018.

## Field Trips

---

### **2017-09-09 Colonel Sam Smith Park and Western Lake Ontario**

**Garth Riley**

Meet 8:00 a.m. at the southernmost parking lot where road ends. Take Kipling Avenue south from Q.E.W. and follow it south of Lakeshore Blvd. to the end. Fall migrants: warblers, sparrows, shorebirds, waterfowl. Other locations we may bird include Lakefront Promenade, Jack Darling Park, Rattray Marsh, Shell Park.

### **2017-09-09 Young Birders. Fall Migration at Ruthven Banding Station**

**Caleb Scholtens, Peter Scholtens**

Meet at 8:00 am at the Ruthven Banding Station, 243 Haldimand County Hwy 54, Cayuga. Learn about banding and fall migration. Dress for the weather and bring lunch, drinks and snacks.

### **2017-09-10 Young Birders. Fall Migration at Tommy Thompson Park; A joint event with the TOC**

**Isabel Apkarian, Caroline Biel**

7:30 am at the entrance to Tommy Thompson Park, foot of Leslie St., south of Lakeshore Ave. Fall migration at Tommy Thompson Park. Songbirds, waterfowl, raptors. Chance of shorebirds. Dress for the weather and bring lunch, drinks and snacks. Stinging red ants are still possible.

### **2017-09-10 Presqu'ile Provincial Park**

**Ian Shanahan**

Meet 8:00 a.m. at the Lighthouse parking lot. Park entrance fee. Fall migrants, shorebirds, hawks.

### **2017-09-10 Ottawa (all day to 5 pm)**

**Jeff Skevington**

Meet 7:30 a.m. along Cassels Road, outside the gate to the Britannia Filtration Plant. Experience the diversity of Ottawa's avifauna during the peak of Fall migration. Expect to see warblers, sparrows, waterfowl, shorebirds, gulls and others. Study the subtle differences between similar species as we explore the Ottawa River from different vantage points. We start at Britannia, and move slowly west, visiting some of Eastern Ontario's best migratory staging areas. Bring a lunch.

### **2017-09-16 Kettle Point and inland lagoons**

**Alfred Raab, James Turland**

Meet 8.00 a.m. in parking lot at junction of Highway 21 and Lakeshore Road (County Road 7) on the way into Kettle Point. Look for gulls, terns, shorebirds, jaegers, at Kettle Point. Then inland to nearby sewage lagoons: search for waterfowl, shorebirds. Bring lunch; rubber boots for wet areas.

### **2017-09-16 Young Birders. Explore Springwater Provincial Park; An event with the Brereton Field Naturalists**

**Brian Gibbon (705-726-8969), Lynne Gibbon**

8:45 am - 1:00 pm. Meet at the entrance of Springwater Provincial Park. Explore nature trails looking for fall migrants and hangers on, fall flowers and ferns. Entrance fee required. Dress for the season and bring drinks and snacks.

### **2017-09-17 Point Pelee National Park**

**Brian Hobbs**

Meet 8:00 a.m. at the Visitor Centre in the Park. Birding around the Visitor Centre, at the Tip, and in the surrounding area including the onion fields. Fall migrants, raptors, seabirds, shorebirds, Monarch butterflies.

### **2017-09-23 Hamilton, Burlington and Vicinity**

**Len Manning**

Meet at 8:00 am at the Holiday Beach Hawk Tower, Amherstburg (near Windsor). Observe migrating raptors and passerines. Entrance fee at Holiday Beach. Bring drinks and lunch.

### **2017-10-01 Young Birders. Raptor Migration and Point Pelee in the Fall**

**Jeremy Hatt, Sarah Rupert**

Meet at 7:30 at the Point Pelee National Park Visitors Centre. Entrance fee is not required. Enjoy what many birders consider the best time for birding at Point Pelee National Park. Bring drinks and lunch.

### **2017-10-07 North Shore Lake superior between Marathon and Thunder Bay (2-day trip)**

**Nick Escott**

Exact location(s) to be determined. Possible pre- and post- trips Oct 6 and Oct 9. If interested, please contact leader Nick Escott [ngescott@shaw.ca](mailto:ngescott@shaw.ca) well in advance so he knows how many people may be coming from southern Ontario. There may be a limit on how many birders we can accommodate, since overnight accommodations will be required. This trip is in memory of Alan Wormington, who loved the north shore of Superior, and organized the only OFO field trip that has ever been offered in Thunder Bay District, In October 1988.

### **2017-10-08 Westmeath Provincial Park and Lac Dore**

**Mark Gawn**

Situated on the Ottawa River near Pembroke, Westmeath Park is a noted migration stopover for Nelson's Sparrow and occasionally Le Conte's Sparrow. Lac Dore, a fish-filled lake, regularly attracts many small gulls, grebes, and loons along with the occasional rarity. Meet 8:00 a.m. in Cobden at the Civitan Park on the north side of highway 17.

### **2017-10-14 Young Birders. Raptor Migration at Hawk Cliff; A joint event with the Thames Talbot Land Trust**

**Rebecca Launchbury (TTLT)**

Meet at 8:30 a.m. at the parking area on Hawk Cliff Rd. Take hwy 24 (Dexter Line) east from Port Stanley then south on Hawk Cliff Rd, or follow Fairview Ave south from St. Thomas. Tour Hawk Cliff woods and learn about the restoration projects in this magnificent forest. Enjoy fall raptor migration. Dress for the weather and bring lunch, drinks and snacks.

### **2017-10-14 Barrie**

**Jim Coey**
